## REASONS LEGAL EAGLE IS YOUR CHOICE FOR E<sup>D</sup>ISCOVERY

### 1. FULL-SERVICE E<sup>D</sup>ISCOVERY

Legal Eagle is ready to assist your team with the best approach for managing the collection, preservation, processing, review, and production of electronic evidence. From email to spreadsheets to information on the cloud and all types of information in between, Legal Eagle stands ready to expertly serve you in all aspects of eDiscovery.

### 2. SECURITY AND COMPLIANCE

Using an eDiscovery expert and platform will ensure your data is secure as well as in compliance with court orders by:

- Producing audit trails for all ESI data
- Encrypting ESI data during transfers
- Issuing litigation holds to preserve data and prevent information from being deleted
- Retaining, protecting, & producing appropriate data during the litigation process
- Ensuring court requests for information are satisfied in the proper form and timeframe

### 3. LABOR REDUCTION

Did you know that 10 GB of information is the equivalent to receiving truck loads of paper? The time associated with reviewing data from the litigation of even the simplest case can be overwhelming. Let Legal Eagle take the burden of organizing electronically stored data.

### 4. COST EFFECTIVENESS

Without eDiscovery and digital forensics, your side of the story may be lost in irrelevant documents, and your labor costs could spiral while trying to sift through tens of thousands of pages. Legal Eagle is a more economical solution saving attorneys and firms thousands of dollars.
