

# E DISCOVERY

The legal rules and regulations surrounding electronic information or eDiscovery are continuously evolving with state and federal rules of civil procedure. It's crucial to utilize an experienced eDiscovery partner to ensure digital information is collected, preserved, and produced for litigation is authentic and complete.

## REASONS LEGAL EAGLE IS YOUR CHOICE FOR EDISCOVERY

### 1. FULL-SERVICE EDISCOVERY

Legal Eagle is ready to assist your team with the best approach for managing the collection, preservation, processing, review, and production of electronic evidence. From email to spreadsheets to information on the cloud and all types of information in between, Legal Eagle stands ready to expertly serve you in all aspects of eDiscovery.

### 2. CUTTING EDGE SOFTWARE SUPPORT

It is crucial to utilize an experienced eDiscovery partner to ensure digital information produced for litigation is authentic and complete. eDiscovery review platforms like CloudNine Relativity, Conect, and others can help alleviate damages and streamline efforts.

### 3. LABOR REDUCTION

Did you know that 10 GB of information is the equivalent to receiving truck loads of paper?

The time associated with reviewing data from the litigation of even the simplest case can be overwhelming. Let Legal Eagle take the burden of organizing electronically stored data off your agenda with our full-service eDiscovery services.

### 4. COST EFFECTIVENESS

Without eDiscovery and digital forensics, your side of the story may be lost in irrelevant documents, and your labor costs could spiral while trying to sift through tens of thousands of pages. Legal Eagle is a more economical solution saving attorneys and firms thousands of dollars.
